TOWN WARRANT

THE TOWN OF HUDSON

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Hudson in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Hudson Memorial School Auditorium, in said Hudson, on Tuesday, March 12, 1968 next, to elect Town Officers for the ensuing year by ballot and vote, by ballot, on the following referendum questions:

- (a) To vote on the question of adopting a Representative town meeting Government consisting of not more than 10 districts and 60 representatives, pursuant to New Hampshire Revised Statutes Annotated Chapter 40-A, as amended.
- (b) To vote on the question of adopting the Town Manager form of Government, pursuant to New Hampshire Revised Statutes Annotated Chapter 37.
- (c) To vote on the question of having the Town Manager assume the duties of Tax Collector, if the Town Manager Plan is adopted, pursuant to New Hampshire Revised Statutes Annotated Chapter 37.
- (d) To vote on the following question, relative to changes in the Town Zoning Law, as follows:
 - 1. To set up minimum lot size requirements as set forth in the subdivision regulations, adopted by the Planning Board, as amended.
 - 2. To amend the use requirements in the Town Zoning Law, as it pertains to multi-family dwellings of 2 or more units, and apartment houses.
 - 3. To require a Certificate of Occupancy before any newly constructed building shall be occupied by the owner, or tenant.
 - 4. To require multi-family buildings to be constructed under the requirements of the 1955 National Building Code, and any amendments subsequent thereto, plus any safety requirements requested and approved by the New Hampshire Fire Marshal's office.
 - 5. To permit the building inspector to hire a qualified electrician or plumber, subject to approval of the Selectmen, for inspection and counsel.
 - 6. To regulate the issuance of building permits by the building inspector which are in conflict with proposed posted amendments to the zoning regulations.
 - 7. To regulate the number of stories (not more than 2) for residential buildings, or apartment houses, excepting single family dwelling units utilizing basement area for supplemental living area.

For this purpose, the polls will be open at 10:00 A. M. and close at 7:00 P. M. with the following articles to be acted upon at 7:00 P. M. on Friday, March 15, 1968, at the Hudson Memorial School Auditorium.

1. To see if the Town will vote to appropriate and raise such sums of money as may be necessary to defray Town charges for the ensuing year. (By Selectmen)

2. To see if the Town will vote to accept numerous bequests as Trust Funds, the income to be used for the perpetual care of the various cemetery lots. (By Selectmen)

3. To see if the Town will vote to authorize the Selectmen to pledge the credit of the Town in anticipation of taxes, not to exceed the amount of the previous year's taxes, committed to the tax collector for collection. (By Selectmen)

4. To see if the Town will vote to authorize and empower the Selectmen to sell and convey any or all real estate acquired by the Town for unpaid taxes. (By Selectmen)

5. To see if the Town will vote to abandon any or all portions of Highland Street, Greeley Street, Barrett's Hill Road, Robinson Road, that have been replaced with re-located roads. (By Selectmen)

6. To see if the Town will vote to change the name of the so-called Fir Street, in the Winnhaven Drive Development, to Wyeth Drive. (By Selectmen)

7. To see if the Town will vote to change the name of the Old Derry Road, so called, to Mohawk Road. (By Selectmen)

8. To see if the Town will vote to change the name of so-called Patricia Drive, in the Alvirne Estates Development, to Estates Drive. (By Selectmen)

9. To see if the Town will vote to abandon a portion of a street, known as Lakeside Avenue, from a point north on Canna Path to a point west on Waterlily Path, a section of unaccepted road ten (10) feet wide by one hundred and fifty-two (152) feet long, thus making Canna Path a dead end Street. (By petition)

10. To see if the Town will vote to make available, at the Hills Memorial Library, a copy of the minutes of all public proceedings that occur in the Town of Hudson.

(a) The minutes are to be available within 30 days of the meeting in which they are recorded.

(b) The definition of public proceedings is to be the same as that in New Hampshire RSA 91-A:1. (By petition)

11. To see if the Town will vote to change the name of Dean Street, so called, to Lions Avenue. (By petition)

12. To see if the Town will vote to adopt the provisions of RSA 41:26a whereas the Town Treasurer shall be elected for a three year term at the next Annual Town Meeting. This three year term is to remain in effect until rescinded by the Town. (By petition)

13. To see if the Town will vote to adopt the provisions of RSA 41:16-a whereas the Town Clerk shall be elected for a three year term at the next Annual Town Meeting. This three year term is to remain in effect until rescinded by the Town. (By petition)

14. To see if the Town will vote to adopt the provisions of RSA 41:2-a whereas the Tax Collector shall be elected for a three year term at the next Annual Town meeting. This three year term is to remain in effect until rescinded by the Town. (By petition)

15. To see if the Town will vote to establish a Board of Sewer Commissioners, consisting of three (3) members in accordance with Chapter 252, paragraphs 19, 20, 21, and 22, New Hampshire Revised Statutes Annotated, 1964. (By petition)

16. To see if the Town will vote to increase the salary of the Town Treasurer from \$450.00 per year to \$700.00 per year, effective January 1, 1968, and appropriate monies for same. (By Selectmen) Budget Committee approved \$250.00 increase.

17. To see if the Town will vote to increase the salaries of the Supervisors of the Checklist from \$100.00 per year to \$200.00 per year, effective January 1, 1968, and appropriate monies for same. (By Selectmen) Budget Committee approved increase.

18. To see if the Town will vote to rescind the action taken at a previous Town meeting whereby a yearly salary of \$50.00 is paid to each Selectman for acting as Overseer of the Poor, effective January 1, 1968. (By Selectmen) Budget Committee approved decrease.

19. To see if the Town will vote to increase the salary of each member of the Board of Selectmen from \$600.00 per year to \$1,500.00 per year, with the Clerk member of the Board to receive an additional \$300.00 per year, effective January 1, 1968, and appropriate monies for same. (By Selectmen) Budget Committee approved salary of \$1,000.00 each Selectman and \$300.00 additional for Clerk.

20. To see if the Town will vote to increase the salary of the Clerk member of the Board of Trustees of the Trust Funds from \$200.00 per year to \$300.00 per year, effective January 1, 1968, and appropriate monies for same. (By Budget Committee) Budget Committee approved increase.

21. To see if the Town will vote to rescind the action taken at a previous Town Meeting whereby a portion of the Town Clerk's and Tax Collector's clerical costs, in the amount of \$1,000.00, are paid for by the Town, effective January 1, 1968. (By Selectmen) Budget Committee approved eliminating the \$1,000.00 clerical costs.

22. To see if the Town will vote to increase the annual salary of the tax collector from \$4,000.00 per year to \$4,500.00 per year on the condition that all statutory fees, collected by the tax collector, shall be remitted to the Town Treasury, effective January 1, 1968, and appropriate monies for same. (By Selectmen) Disapproved by Budget Committee.

23. To see if the Town will vote to increase the hourly rate of the election inspectors, assistant Moderator, ballot clerks, and other election workers, from \$1.25 per hour to \$1.50 per hour, effective Town Meeting Day, March 12, 1968, and appropriate monies for same. (By Selectmen) Approved by Budget Committee.

24. To see if the Town will vote to increase the salary of each woman Police School Traffic Guard from \$600.00 per year to \$750.00 per year, effective April 1, 1968, and appropriate monies for same. This yearly salary is to be pro-rated on the number of school days worked each year, in the event that a lesser number of days is worked. (By Selectmen) Approved by Budget Committee.

25. To see if the Town will vote to appropriate the sum of \$750.00 for an additional woman Police School Traffic Guard, effective September 1, 1968, and appropriate monies for same, the amount for 1968 to approximate \$300.00. The yearly salary is to be pro-rated on the number of school days worked each year, in the event that a lesser number of days is worked. (By Selectmen) Approved by Budget Committee.

26. To see if the Town will vote to increase the rate for Special Police Officers from \$1.75 per hour to \$2.00 per hour, effective April 1, 1968. (By petition) Approved by Budget Committee.

27. To see if the Town will vote to raise the salary of the regular Police Officers from \$5,600.00 per year to \$6,000.00 per year and the salaries of the Police Sergeants from \$6,000.00 per year to \$6,400.00, effective April 1, 1968, and appropriate monies for same. (By petition) Approved by Budget Committee.

28. To see if the Town will vote to hire an additional Police Officer so that the Police Cruiser can be kept on the road, for an additional eight hours per day and raise the sum of \$1,000.00 for the operation of the cruiser and \$4,500.00 for the salary of the officer for this year, effective May 1, 1968. (By petition) Approved by Budget Committee.

29. To see if the Town will vote to set the salary of the Dog Officer at \$300.00 per year, effective January 1, 1968, and appropriate monies for same. (By Selectmen) Approved by Budget Committee.

30. To see if the Town will vote to set the salary of the Selectmen's Secretary at \$90.00 per week for a 40 hour week and the salary of the Clerk at \$61.00 per week for a 32 hour week, effective April 1, 1968, and appropriate monies for same. (By Selectmen) Approved by Budget Committee.

31. To see if the Town will vote to rescind the action taken at all previous Town meetings, regular or special, whereby the Town offers its services to owners, or developers, of new or old subdivisions, to surface all unsurfaced streets in such developments at total cost to the Town, including equipment rental, or to do any contracting work which is the responsibility of the developer, or contractor. Any work, defaulted by contractors, developers, or owners of developments, shall be sent out to bid to private contractors and billed to owner, or developer, of the subdivision, or the contractor involved. (By Selectmen)

32. To see if the Town will reaffirm the decision of the Board of Selectmen to require that all monies, owed to the Town, for services rendered or work done, shall be billed and payable within 30 days from date of billing and, if not paid within the 30 days from date of billing, interest at the rate of 1% per month shall be charged on the unpaid balance, plus collection costs. (By Selectmen)

33. To see if the Town will vote to increase the personnel of the Town Highway Department by an additional employee, effective May 1, 1968, and appropriate monies for same, the amount for 1968 not to exceed \$4,000.00. (By Selectmen) Approved by Budget Committee.

34. To see if the Town will vote to raise the salary of the Road Agent from \$164.00 per week to \$175.00 per week, effective April 1, 1968, and appropriate monies for same, the sum for 1968 amounting to approximately \$430.00. (By petition) Approved by Budget Committee.

35. To see if the Town will vote to amend section 11, of Article 22, passed by the voters of the Town at the March 14, 1967 Town Meeting, by striking out said section and inserting in its place the following section: (By Selectmen)

11. Time and one half shall be paid to all employees only after said employees shall have worked over 40 hours per week, holiday time included.

36. To see if the Town will vote to amend Article 22, under the caption Wages, passed by the voters of the Town at the March 14, 1967 Town Meeting, by striking out the entire Wage section and inserting in its place the following section: (By Selectmen) Approved by Budget Committee.

WAGES — PER HOUR

	Starting Pay	After 6 Mos.	After 1 Year	Merit Maximum
Laborer (unskilled)	\$1.80	\$1.85	\$1.90	\$2.20
Laborer (Skilled)	\$1.90	\$1.95	\$2.00	\$2.30
Truck Driver (Light equipment)	\$1.90	\$1.95	\$2.00	\$2.30
Truck Driver (Heavy equipment)	\$2.00	\$2.05	\$2.10	\$2.40
Grader Operator	\$2.35	\$2.40	\$2.45	\$2.80
Loader Operator	\$2.35	\$2.40	\$2.45	\$2.80
Maintenance Mechanic	\$2.30	\$2.35	\$2.40	\$2.65
Master Mechanic				\$3.00
Foreman (Working)	\$2.40	\$2.45	\$ 2.50	\$2.85

37. To see if the Town will vote to establish the salary of the Recreation Director at \$1,000.00 per year, and appropriate monies for same. Also, to see if the Town will vote to establish the salary of four experienced Playground Supervisors at \$350.00 each per year, and appropriate monies for same. (By petition) Approved by Budget Committee. \$200.00 increase for the Director and increases of \$50.00 each for the 4 experienced Playground Supervisors.

38. To see if the Town will vote to establish a Capital Reserve Fund for the purpose of building two (2) tennis courts on School Street, at an estimated cost of \$7,500.00 and to raise \$2,500.00 this year to put into the fund. This fund is to be raised under R.S.A. Chapter 35, of the New Hampshire Statutes Annotated. (By petition) Approved by Budget Committee.

39. To see if the Town will vote to appropriate the sum of \$1,000.00 for a copy machine for the Selectmen's Office, to be used for Town business. A charge of fifty cents (\$.50) per copy shall be made for other than Town business, except that copies, made for the School District, shall be charged at the rate of five cents (\$.05) per copy. (By Selectmen) Approved by Budget Committee.

40. To see if the Town will vote the following policy in connection with wages, or salaries, paid to all full time appointed employees:

"All appointed employees, either full time or part time, whose salaries or wages are voted on a monthly, or yearly, basis shall be considered as paid on a weekly basis. The yearly salary, or other type of salary, shall be pro-rated on the number of weeks, or days, worked each year and no payment shall be made to any employee for more than the actual number of weeks, or days, worked in any current year."

41. To see if the Town will vote to adopt the provision of New Hampshire Revised Statutes Annotated, Chapter 359, referred to as Weights and Measures, relative to the appointment of one or more Public Weighers, as provided by R.S.A. 359:45 through R.S.A. 359:54, as amended. (By Selectmen)

42. To see if the Town will vote to appropriate the sum of \$29,000.00 for a Fire Truck with a 750 gallon tank and a 750 gallon per minute pump to replace the present 1941 Federal Fire truck, said fire truck to be ordered in 1968 for delivery in 1969. (By Selectmen) Approved by Budget Committee — \$10,000.00 in 1968; \$9,500.00 in 1969 and \$9,500.00 in 1970.

43. To see if the Town will vote to appropriate the sum of \$26,000.00 for a Grader to be used by the Town Highway Department, said Grader to be equivalent to a Caterpillar 120, or other make with similar specifications. (By Selectmen) Approved by Budget Committee. \$8,800.00 in 1968. \$8,600.00 in 1969 and \$8,600.00 in 1970.

44. To see if the Town will vote to appropriate the sum of \$3,000.00 for a used Sweeper to be used by the Town Highway Department. (By Selectmen) Approved by Budget Committee.

45. To see if the Town will vote to appropriate the sum of \$6,000.00 for a sidewalk plow. (By petition) Disapproved by the Budget Committee.

46. To see if the Town will vote to reaffirm the acceptance of Revised Statutes Annotated, Chapter 252, referred to as Sidewalks and Sewers. Further, that the Selectmen shall, in the construction of sidewalks, assess each abuttor on such street, one-half ($\frac{1}{2}$) of the expense of constructing the sidewalk, pursuant to R.S.A. 252:2. (By Selectmen)

47. To see if the Town will vote to appropriate the sum of \$16,000.00 for a steel type building (50 feet by 80 feet with 12 foot sidewalls) to be constructed on the site of the present wooden storage and salt shed and replace the present wooden shed which is not practical to repair. (By Selectmen) Approved by Budget Committee. \$6,000.00 in 1968; \$5,000.00 in 1969 and \$5,000.00 in 1970.

48. To see if the Town will vote to use \$18,000.00 in the surplus account to pay, in full or partially, for the cost of reappraisal of properties by the State Tax Commission, as approved by the voters of the Town at the March 14, 1967 Town Meeting. (By Selectmen) Approved by Budget Committee.

49. To see if the Town will vote to appropriate the sum of \$1,200.00 for the purposes of defraying expenses necessary in preparing maps, setting up voting districts, and preparing new checklists, if the Town Meeting Representative Form of Government is adopted by the voters of the Town at the March 12, 1968 Town Meeting, in accordance New Hampshire R.S.A. Chapter 40-A, revised. (By Selectmen) Budget Committee submitted without recommendation.

50. To see if the Town will vote to appropriate the sum of \$28,150.00 to pay for the preparation of a preliminary Engineering Survey and Report on Sewerage and Sewage disposal for the Town, by the firm of Fenton G. Keyes Associates, of 46 Aborn Street, Providence, Rhode Island, pursuant to an application filed with the Federal Housing and Urban Development Department on June 14, 1966 and approved by the New Hampshire Water Supply and Pollution Control Commission. Any amounts, received from the Federal Housing and Urban Development Department in the year 1968, and successive years, covering this survey, shall be applied against this appropriated amount of \$28,150.00 (By Selectmen) Approved by Budget Committee. \$14,150.00 in 1968 and \$14,000.00 in 1969.

51. To see if the Town will vote to appropriate the sum of \$15,000.00 as the annual salary of a Town Manager, should the voters adopt the Town Manager form of Government, pursuant to New Hampshire R.S.A. Chapter 37, at the March 12, 1968 Town Meeting and to appropriate such portion of the \$15,000.00 salary as may be due him in 1968. (By petition) Approved by Budget Committee. \$7,500.00 raised for 1968.

52. To see if the Town will authorize the Board of Selectmen to appoint a committee which will help the Town participate in a state-wide contest to improve the appearance of New Hampshire. (By Selectmen)

53. To see if the Town will vote to authorize the Selectmen to raise the sum of \$60,200.00 through the issuance of bonds or notes under and in compliance with the provisions of the Municipal Finance Act (Chapter 33 of the N. H. Revised Statutes Annotated) and authorize the issuance of and negotiation of such bonds or notes and to determine the rate of interest thereon and the time and place of payment thereof and to take such other action as may be necessary to effect the issuance, negotiation and rate of interest of such bonds or notes as shall be in the best interest of the Town of Hudson. The said \$60,200.00 shall consist of the following articles, as indicated in this warrant: \$19,000.00 for a Fire truck pursuant to article 43; \$17,200.00 for a Grader, pursuant to article 44; \$10,000.00 for a steel Highway Department building, pursuant to article 47; and \$14,500.00 for a comprehensive report on sewerage and sewage disposal for the Town, pursuant to article 50. (By Selectmen)

Given under our hands and seal this 26th day of February in the year of our Lord nineteen hundred and sixty-eight.

FRANK A. NUTTING, JR.
JOHN M. BEDNAR
ROBERT P. LEVESQUE, SR.
Selectmen of Hudson, N. H.

PROPOSED BUDGET FOR 1968

100-00 TOWN OFFICERS' SALARIES

Acct.	Account Title	1966	1967		1968	
		Expended	Approp.	Expended	Approp.	
100-01	Selectmen (3)	\$ 1,800	\$ 1,800	\$ 1,800	\$ 3,300(a)	
-01	Town Clerk	100	100	100	100	
-01	Treasurer	450	450	450	700(b)	
-01	Trustee of the Trust Funds (Clerk)	200	200	200	300(c)	
-01	Building Inspector	700	700	700	700	
-01	Town Manager	—	—	—	7,500(d)	
		<hr/>	<hr/>	<hr/>	<hr/>	
		\$ 3,250	\$ 3,250	\$ 3,250	\$ 12,600	

(a) Art. 19. Selectmen requested salary of \$1,500 for each Selectman; eliminate \$50 per Selectman for Overseer of the Poor, and add \$300.00 per year for Selectman Clerk. Total \$4,800.00

Budget Committee denied this request and allocated \$1,000 for each Selectman; eliminated \$50 per Selectman for Overseer of the Poor, and approved an added \$300.00 for the Selectman Clerk. Total \$3,300.

(b) Art. 16. Selectmen requested salary increase for Treasurer from \$450.00 per year to \$700. per year. Budget Committee approved the request.

(c) Art. 20. Budget Committee requested and approved an increase for the Clerk member of the Trustee of the Trust Funds from \$200.00 per year to \$300.00 per year.

(d) Art. 51. By petition. Request for \$15,000 for Town manager, exclusive of secretary or travel expenses. Budget Committee approved \$7,500 for 1968, if article passes, and no expense for travelling or Secretary.

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire
SUMMARY OF FINDINGS AND RECOMMENDATIONS

March 8, 1967

Board of Selectmen
Hudson, New Hampshire
Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Hudson for the fiscal year ended December 31, 1966, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Hills Memorial Library and Sewer Fund Account.

Financial Statements

Comparative Balance Sheets — December 31, 1965 — December 31, 1966:
(Exhibit A-1)

Comparative Balance Sheets as of December 31, 1965 and December 31, 1966, are presented in Exhibit A-1. As indicated therein, the Net Debt decreased by \$20,780.33 in 1966.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decrease in Net Debt	
Net Budget Surplus	\$ 14,958.45
Long Term Notes Paid	19,100.00
Bonds Retired	11,000.00
	<hr/>
	\$ 45,058.45
Increase in Net Debt	
Long Term Notes Issued	\$ 24,000.00
Tax Liens Transferred to Tax Deeds	278.12
	<hr/>
	24,278.12
	<hr/>
Net Decrease	\$ 20,780.33

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1966, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$18,749.68, less a net overdraft of appropriations of \$3,791.23, resulted in a net budget surplus of \$14,958.45.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1966, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1966, is indicated in Exhibit B-2.

Statements of Sewer Fund Account: (Exhibits B-3, B-4 and B-5)

Statements of the activity in the Sewer Fund account during the fiscal year are presented in Exhibits B-3, B-4 and B-5.

Statement of Long Term Indebtedness: (Exhibit G)

A statement of outstanding long term indebtedness as of December 31, 1966, showing annual debt service requirements, is contained in Exhibit G.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS**Current Surplus:**

The current surplus (excess of total assets over current liabilities) increased by \$14,680.33, from \$14,242.15 to \$28,922.48 in 1966, as shown herewith:

	December 31, 1965	December 31, 1966
Total Assets	\$328,756.03	\$410,238.73
Current Liabilities	314,513.88	381,316.25
Current Surplus	\$ 14,242.15	\$ 28,922.48

Overdraft of Overlay Account:

As indicated by the Budget Summary (Exhibit A-4), there was a net overdraft of appropriations in the amount of \$3,791.23, as indicated herewith:

Overdrafts of Appropriations	\$ 30,946.89
Unexpended Balances of Appropriations	27,155.66
Net Overdraft of Appropriations	\$ 3,791.23

However, it may be explained that included in the total appropriation overdrafts was an overdraft of \$7,445.66 in the "Overlay" account. The amount which is raised for "Overlay" is determined by the Selectmen rather than voted by the Town Meeting, so that it is not actually an appropriation account. Abatements, discounts and refunds are charged to this account. Therefore, it is noted that with the elimination of this item of \$7,445.66 from the total overdrafts, there was actually a net unexpended balance of budgetary appropriations as shown herewith:

Unexpended Balances of Appropriations		\$ 27,155.66
Total Appropriation Overdrafts	\$ 30,946.89	
Less: Overdraft in "Overlay" Account	7,445.66	
		<hr/>
		23,501.23
Net Unexpended Balance of Budgetary Appropriations		<hr/>
		\$ 3,654.43

Surety Bond:

The surety bond of the Town Clerk should be increased from \$12,000.00 to \$20,000.00.

Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Hudson for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Edgar O. Pesquera, Auditor
Stephen D. Plodzick, Accountant

**DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire**

March 8, 1967

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Hudson for the fiscal year ended December 31, 1966. In our opinion, the Exhibits included herewith reflect the true financial condition of the Town on December 31, 1966, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Edgar O. Pesquera, Auditor
Stephen D. Plodzick, Accountant

SELECTMEN'S REPORT

YEAR 1967

With the year 1967 behind us, the Selectmen, once again, are faced with the problems of Budget and other hearings, as required by Law, apart from compiling expense and income statistics for the year 1967 so that they can be compared with the proposals for 1968.

Despite possible unfavorable impressions projected in some information media, the Board made every attempt to improve Town operations — in the Office, in the field, and, we hope, in our relations with the taxpayers of the Town. We are the first to admit that the job is not an easy one, but satisfactory results have been achieved.

This year, with the cooperation of the Tax Collector's Office, the Selectmen installed a mechanized system for the preparation of poll tax and head tax bills, and property tax bills, at an appreciable savings to the Town, in labor costs and interest paid on tax anticipation loans. As you all know, the Town "lives on borrowed money" until your property taxes are paid in December, or earlier, and the Town has to pay interest on this borrowed money. For example, on an \$800,000.00 loan, at 3% discounted, it costs the Town approximately \$70.00 per day interest charges and, in 1968, the rate is expected to be 4%, discounted. By sending the tax bills out earlier in 1967 (about 30 days) the tax collector received the taxes earlier, and this, in turn, reflected itself in lower interest costs on money borrowed by the Town.

Through the efforts of Selectman John Bednar, and the cooperation of the Town Treasurer, the Selectmen were able to negotiate a good rate of interest on tax anticipation loans and, in turn, the Town reinvested a portion of these loans in Certificates of Deposit with the result that the cost of borrowing, in anticipation of taxes, amounted to only \$83.48 instead of \$6,000.00, a savings of better than \$5,800.00. Many more dollars were saved on purchases and the Selectmen anticipate more savings in these areas of purchases and investment of surplus funds on deposits in banks.

The so-called "lagoon problem" has been troublesome this year. Due to unfavorable publicity, it has been extremely difficult to resolve the area of differences with the Water Pollution Commission, at no expense to the Town. On the one hand, the Birchcroft residents do not want another lagoon (and we don't blame them for that) and, on the other hand, the Water Pollution Commission has insisted that the Town spend between \$30,000.00 and \$50,000.00 for sewerage treatment before the contents of the lagoon are discharged into the Merrimack River. Approximately 193 homes are involved in this area.

The Town is also faced with the problem of appropriating a sum of \$28,150.00 for a sewer system and sewerage treatment plant, on orders from the Water Pollution Commission. Efforts have been made to secure an Advanced Planning Loan from the Federal Agency known as Housing and Urban Development but, up to the present time, due to "tight money" at the Federal Government level, the Selectmen have no alternative but to propose this expenditure. One of the Selectmen, at the instruction of the Board, visited with the Federal officials in New York City in December, 1967, and further contacted our Senators and Representative in Washington, in an effort to obtain this loan which would result in no interest cost to the Town. The Selectmen still have high hopes of receiving this money, interest free, although this amount will have to be repaid when construction begins. The firm of Fenton G. Keyes, of Providence, Rhode Island, has

been commissioned to do the survey, as approved by the Water Pollution Commission in June, 1966. When, and if, we receive this money, the amount received will be credited to the Town Treasury.

The taxpayers should also understand that the Selectmen will be faced with approving a sharp tax increase in 1968, in the event that a rapid rise in school expenditures materializes. The Board hopes that the taxpayers will use their very good judgment at the School District Meeting, Wednesday, March 6, 1968, by keeping School costs down, for that is where your tax dollars are spent to a very great degree. An extensive building program, at the School level, will be draining our tax revenue for a long time. For example, the proposed payments on principal for the School District for 1968-69 will amount to \$130,055.00 and the interest charges are estimated at \$59,210.00 — quite a sum on your tax rate. Other methods should be considered through the cooperative effort of the School Board and Board of Selectmen. The Selectmen are willing to do their part in this regard, as the Selectmen set the tax rate on what the taxpayers spend — at the School level and the Town level — each year.

The Selectmen are also faced with problems. We must repair our present wooden storage and salt shed and this would cost approximately \$3,500.00 for minimum repairs, as the roof is completely gone and the side walls badly in need of repair. After giving the problem some serious thought, the Selectmen reached a decision that it would be a waste of the taxpayers' money to spend the \$3,500.00 for stop-gap repairs and are suggesting that a 50 x 80 steel building, with 12 foot sidewalls, be constructed on the site of the present wooden building.

The Fire Chief has requested a new Fire Truck and this cost is estimated at \$29,000.00. We realize that this represents a lot of money but it is the opinion of the Fire Chief that the present 1941 Federal Fire truck should be replaced with a new fire truck with a 750 gallon tank and a 750 gallon per minute pump. There are few manufacturers that build fire trucks and the cost of these trucks rises each year, apart from the fact that it takes over one year to get delivery of a fire truck. The Selectmen have proposed that we order the fire truck in 1968, for delivery in 1969.

On the other hand, the Highway Department Grader, of 1953 vintage, either has to have extensive repairs, or be replaced with a new grader, at a cost of \$26,000.00 with no trade in. The question arises whether we should keep the old grader, with a trade-in value of about \$5,000.00, for rough road work, dump work, and snow plowing in winter. The Selectmen are of the opinion that, with a minimum amount of money, the old grader can be made serviceable to supplement the new grader. With this old grader, it is possible that we can lower our overtime costs, as one grader cannot be used on all the jobs in the Town, at once, especially at the dump. One thing is certain — the old grader can no longer do the fine work of new road construction and grading.

Zoning and Planning presents another problem in Hudson. Due to a sharp increase in development in some areas of the Town, this activity has reflected itself in the amount of taxes the average homeowner has to pay. Residential development, on a large scale, results in the need for new schools, the expenses to run the schools, also added services in the Town, requested by such new homeowners. All this, put together, means higher taxes. The Selectmen are asking the voters to tighten up the Zoning and Planning regulations, in a most reasonable way, as suggested by the Planning Board, by voting for the proposed amendments in March.

One of the difficulties, in the course on development of land, is the expansion of the water mains and the resultant inch foot fire protection charges billed to the Town by the Water Company. If the water mains are over-extended to the rural areas of the Town, the taxpayers have no choice but to pay for the added inch foot charges, which are a part of the Water Company's tariff. The estimate for 1968 amounts to \$60,000.00 and this will be included in the tax bill, as a hydrant rental charge.

The Highway Department had its share of troubles this year and it was only recently that a full crew was operating in the Town. This shortage of personnel adds to the overtime costs. Therefore, the Selectmen have asked for an increase in personnel, because of the heavy work load, especially in sewer maintenance.

There are several articles in the Town warrant requesting that controls be established in many areas of administration, namely, road surfacing for developers, method of collecting monies due to the Town, etc. The work load in the Highway Department is increasing year by year. If we continue to do work for private developers, or contractors, the result will be reflected in added personnel and equipment for the Highway Department and this will add to the amount of taxes you will be required to pay. The Selectmen ask that the voters approve these policy articles in the best interest of the Town.

This year, as a result of the vote at the March, 1967 Town Meeting, Tax Commission appraisers are scurrying about assessing all the properties in the Town, as of April 1, 1968. By law, they are required to enter the home of the property owner, or place of business, so that a fair and complete appraisal of the property can be made, inside and out. When the appraisers have completed their work, each property owner will have a completed appraisal card on file at the Selectmen's office, showing the breakdown of the assessment. The Selectmen suggest that all property owners cooperate with the appraisers in every way possible so that the job can be done in a minimum of time and cost. After the appraisal is completed and the tax bills sent out, each property owner will receive a booklet showing the names and properties of all persons in the town and the amount and kind of assessment made for each property. Should any taxpayer disagree with the appraiser's valuation, a hearing will be held by the State Tax Commission on the complaints and a reappraisal made of the property in question, at no cost to the property owner.

Also, this year, all Veterans will receive a flat \$50.00 off the tax bill, as a result of a new law that was passed by the 1967 Legislature. It is possible that the Selectmen will seriously consider using the 100% valuation on all properties, as prepared by the State appraisers, in order to save bookkeeping costs. All Veterans should file their applications for exemption between April 1 and April 15 of each year.

We note, with pride, that we have a new and unusual industry in Town, one with a great growth potential, Borders Electronics Inc. which specializes in laser optics. On the other hand, a gravel mining industry, Hudson Sand and Gravel, Inc. opened its doors for business in 1967 and represents a sizeable outlay from which taxes can be derived. The Nashua Trust Company also opened its doors for business in 1967, thus giving Hudson two banks; also a Hardware and Paint Store has located on the Derry Road. The Selectmen hope that new industries will be attracted to the area as a result of the proposed beltline and that, some day, Route 111 will become a miniature Route 128, as Hudson is fortunate in having access to major highways, such as Routes 93, 495, 95, etc.

The Taylor Falls Bridge problem has been resolved once and for all. The voters, at the March, 1967, Town meeting accepted the provisions of House Bill No. 133, sponsored by one of Hudson's legislators. Subsequently, after a series of conferences with the officials of the State Highway Department, the Selectmen, along with other Town officials, came to an agreement on the approaches to the old and the proposed new bridge. Latest word from Concord is that final construction is expected in the summer of 1971.

The Selectmen have agreed to work toward further streamlining of Town operations in 1968 by a more systematic approach to pressing problems and further mechanization of office operations, wherever possible. The Selectmen are definitely committed to better service to the Townspeople — at a minimum cost.

THE BOARD OF SELECTMEN

FRANK A. NUTTING, JR., Chairman
JOHN M. BEDNAR
ROBERT P. LEVESQUE, SR.

HUDSON POLICE DEPARTMENT REPORT

1967

The year nineteen hundred and sixty-seven has passed. During the year we have seen a remarkable increase in population. We now have two banks in Hudson and additional homes are springing up like mushrooms. The growth of the town demands an intensification of work by the police department.

With the expansion of highway facilities surrounding our town, there is an increase in traffic. More and more cars are observed at all hours of the night. Although it is practically impossible to check all these cars to find out their business as they "roam" at two, three, or four in the morning, a good number of them are checked in the efforts of crime prevention. Different decisions are handed down in the courts that work to protect the rights of individuals, but when are the courts going to try to prevent the tremendous number of crimes committed every day?

We now have one cruiser on duty during the day. The officer in this cruiser has an average of ten (10) money transfers daily, along with his calls to accidents, complaints, truants from schools, and assisting other departments in Hudson and other town and state departments. The other cruiser should be on duty around the clock to assist in these duties and to be available in emergencies. Two police officers are badly needed. An additional officer is needed at the police station itself for a minimum of five hours from about six to eleven in the evening to assist you in any of your problems.

An effective police department works with the public. We have received numerous letters and cards thanking us for assistance rendered in time of need, such as rushing a child to the hospital in the cruiser or in my personal car, aiding the ambulance in locating a patient in need of transportation, and countless other services.

We had the usual cooperation from all the Town officials and employees, the officers' wives, and from my own wife, Stella, who answers the police phone and dispatches officers whenever needed.

We received a plaque from the Automobile Association of America which acknowledged a twenty-two year period with no pedestrian fatality on our highways. This Pedestrian Safety Achievement Award, presented annually, commends our town for its exceptional consecutive record of "No Pedestrian Fatalities" as reported in the AAA Pedestrian Safety inventory while meeting AAA standards of program performance.

This record has been achieved through the united effort of all the officers, aided by training sessions held periodically and the schools attended so that we may do a better job for you, the public.

319 Arrests Were Made For The Following Offenses:

- 19 Driving under the influence
- 105 Speeding
- 4 Hit & Run — leaving the scene
- 4 Breaking & Entering & Larceny in Nighttime
- 4 Possession of beer by minors
- 12 Drunk
- 11 Stop Sign
- 37 Center line violations
- 7 Failure to yield at intersections
- 3 Unregistered vehicles
- 1 Malicious damage

- 3 Dumping rubbish on highway
- 2 Allowing improper person to operate
- 5 Absent without leave from Armed Forces
- 1 Disorderly conduct
- 18 Uninspected vehicle
- 4 Petty larceny
- 10 Defective equipment
- 2 Road Racing
- 3 Reckless operation
- 2 Failure to stop for red lights of school bus
- 4 One way street
- 1 Failure to stop for officer
- 6 Assault and battery
- 14 Operating without license
- 3 Operating after revocation of license
- 4 Red light
- 1 Contributing to delinquency of a minor
- 2 Misuse of registration plates
- 1 No safety chain
- 1 Overloaded vehicle
- 2 Trespassing
- 1 Uttering false prescription to obtain drugs

Two highway fatalities were recorded this year. One of these was a single car accident in which a car struck a pole, throwing the driver beneath the car and crushing her. The other fatality occurred when the girl passenger on a motorcycle was thrown from the vehicle. This subject had a steel plate in her head, the result of a previous accident.

Accidents Investigated:

- 2 Fatal
- 2 Car and pedestrian
- 187 2 car
- 14 Car and tree
- 18 Car and utility pole
- 10 With parked vehicles
- 18 With mail boxes
- 9 With fences
- 7 3 cars involved
- 2 With fire hydrant
- 3 With houses
- 14 With dogs
- 1 With deer

Commitments:

- 4 State Hospital
- 3 Industrial School
- 2 Grasmere (county farm)
- 3 County Jail

Deaths Investigated:

- 2 Auto fatalities
- 2 Suicides
- 6 Natural causes
- 17 Missing persons located
- 93 Doors found unsecured
- 64 Windows found unsecured
- 55 Ambulance calls assisted

- 23 Emergency runs by cruiser
- 7 Emergency runs by Chief's car
- 189 Street lights reported out
- 500 Bicycles registered
- 319 Vehicles checked
- 1297 Premises checked — by owner's request
- 146 Different violations — (one dollar collected)
- 88 Warrants served for other departments
- 345 Assisted other departments
- 9 Money transfers — (average daily)
- 14 Reported stolen cars recovered for other departments
- 19 Stolen bikes recovered
- 3 Boats
- ~~4~~ Lawn mowers recovered
- 2 Chain saws recovered
- 1 Trailer
- 1 Motorcycle
- 3 Revolvers
- 1 Rifle
- 2 Shotguns

\$492 Dollars recovered from different larcenies and returned to owners.

I wish to stress the amount of work involved to properly investigate an accident. Upon arriving at the scene, the officer's first objective is to learn if an ambulance is needed. He then sets up flares to prevent other accidents. Traffic must be properly directed; people must be kept away from the car or cars to prevent pilfering; statements must be taken from witnesses; measurements of vehicles must be taken; wreckers must be called. After the officer has performed these tasks, he must then sift his information and determine the cause of the accident. The time involved in this process is extensive.

A serious accident in which a person or persons are injured involves more work such as taking photographs and securing more detailed information from witnesses and passengers having knowledge of the accident. Obviously, it is practically impossible for one officer to do a proper investigation of an accident. Here, too, is another reason the second cruiser should be patrolling the roads — to prevent accidents and to assist in those that have occurred.

Realizing the lengthy process required in the investigation of an accident, one can imagine what is involved in the investigation of a break or holdup. All cases are probed and each is time consuming.

I hope the Budget Committee and the Selectmen will see that we should send some officers to attend sessions of St. Anselms College and to the state sponsored school at the University of New Hampshire.

I have received a number of pamphlets discussing the decisions handed down by our Supreme Court. Upon reading these, I ask myself this question:

DO THE CITIZENS HAVE ANY RIGHTS??? IS IT JUST THE CRIMINALS THAT HAVE RIGHTS AND ARE TO BE PROTECTED AT ALL TIMES?????

Respectfully submitted,

ANDREW J. POLAK
Chief of Police

FIRE DEPARTMENT REPORT

1967

The record of fires in the year 1967 was reduced in comparison with 1966. This reduction was mostly due to the wet season which we had. We had twelve brush fires and all but three of these were held down to spot fires. There were fifteen back yard fires caused mostly from incinerators and pure carelessness. This can be corrected by placing incinerators in a safe spot and by keeping them free from cans and bottles. Also have a cover or good screen over the top and, above all, don't light the fire when the wind is blowing. The safest way is to take all refuse to the Town dump. We had one garage fire caused from a misplaced incinerator which had no cover.

This past year your schools were checked for fire safety and hazards. Fire drills were held in all of them and I was very much pleased with the interest and cooperation of the school staffs.

During Fire Prevention week in October, your Fire Department participated in a Fire Prevention Parade in Manchester. We also held one in Hudson where we put on a demonstration of fire fighting and rescue work. This was on a very stormy night. We had visiting Fire Departments from Massachusetts as well as many departments from towns and cities in New Hampshire. We were very gratified by the interest shown by the hundreds of citizens who turned out on this stormy night.

In the year of 1968 your Fire Department will try to visit all homes in Town and make a fire safety inspection. I hope you will all receive them with good will. This will be one more move that the Fire Department is taking in your interest and for your safety.

Another year has taken several lives by fire in the state of New Hampshire. Let's all work together and try to eliminate this carelessness in the year of 1968. In closing this report, I want to thank you all for your past cooperation and ask for the same in 1968.

CHIEF OSCAR P. CAMPBELL

REPORT OF FOREST FIRE WARDEN & DISTRICT CHIEF

The year of 1967 will go down in history as a wet year although the early spring was dry and windy. During this time, we had many fires, unnecessary fires caused by carelessness and disregard for the common-sense fire laws and regulations. This lack of responsibility on the part of a few people hurts everyone. Let's work together to prevent the start of those unnecessary fires by:

1. No burning between 9:00 A. M. — 5:00 P. M. and then only with a permit from the Forest Fire Warden.
2. Take all debris and waste to the town dump.
3. Keep a clean, safe town dump.
4. Urge close supervision of children in regard to use of matches.
5. Exercise care with smoking material — use the ashtray.

RECREATION COMMISSION REPORT

1967

Playground activities were carried out from June 26 to August 25, at the Dr. H. O. Smith and Hudson Center Playgrounds, under the direction of Recreation Director, Dalton Blodgett and Playground Supervisors, Kay Herbert, Dana McCoy, Pamela Thornton and Michael Guerrette.

Attendance of different girls and boys for the season totals approximately 400, at the Dr. H. O. Smith Playground and 200, at the Hudson Center Playground.

The playgrounds are well supplied with playground equipment, and a new slide has been procured for the Dr. H. O. Smith Playground, to be installed in the Spring.

The Craft Instructor at the Town Youth Center and the Hudson Center Playground was Mrs. Maurine Hutchins. In addition to the two usual playground age groups, advanced crafts were included for an older age group. There was quite an increase in attendance at these classes because of the increase in the town's population. The materials were not sufficient to carry through the season, so more materials will have to be purchased for the coming year, if all children desiring to attend these classes are accommodated. A Craft Exhibit was held at the close of the season and many unusual and varied articles which had been made by the young people were exhibited.

The girls' softball teams coached by Mr. Blodgett were more popular than ever this year and most successful. This provides recreation for both the young girls and older girls in town.

The Town Youth Center is found to be an ideal place for weekly meetings by 4-H Girls, several Girl Scout Troops, Cub Scouts and an Extension Group. Others have used the building for special occasions during the year.

Four sets of uniforms were purchased for the Basketball League, which is under the direction of the Playground Director, Mr. Blodgett. This year there are 16 teams made up of boys from the 5th grade age group to the 9th grade age group. Approximately 200 boys are in the League.

The Recreation Commission feels that children and young teen-agers are being provided with some type of recreation throughout the year. It is our hope that the Commission will be able to provide recreation for older teenagers and adults in the future, possibly skating and tennis. We have received many demands for this type of recreation.

As usual the playground season closed with a Field Day for children who had participated in the playground program. Trophies and prizes were awarded and refreshments were served.

We wish to express our appreciation to every person or organization assisting or donating to the Recreation program during the past year.

ROGER M. BOUCHER, Chairman

BUILDING INSPECTOR'S REPORT FOR 1967

Total number of permits issued for year

188

Single family homes	(3 void) 87

Gasoline storage tanks	1
Churches	1
Barns	1

BUILDING INSPECTOR'S REPORT FOR 1967

There were eight building permits refused this year due to the Zoning Laws of Hudson. The parties concerned all applied to the Zoning Board of Adjustment for variances. Six of these were granted variances and the other two were refused. All six that were granted variances have since applied for permits.

There was a sharp decline in building permits again this year, which makes two years that the number of permits issued has shown a decline. This is most noticeable in single-dwellings and duplexes. Multi-family dwellings have shown an increase.

The total estimated cost of new construction was \$1,481,400.

The total estimated cost of alterations and additions was \$87,300.

A total estimated cost of \$1,568,710.

Fees collected for building permits issued for 1967 were \$835.00.

Respectfully submitted,

RICHARD E. MILLARD

Building Inspector

BOARD OF HEALTH REPORT FOR 1967

The year of 1967 has been a good one from the standpoint of complaints. The restaurants, barber shops and markets have maintained clean and sanitary places of business. I have inspected the restaurants and markets several times with the State Inspector.

The contractors are putting in good quality leech fields and there have been very few complaints from this area during the year.

There is still a large number of boarding homes for children in Hudson for which there were 18 licenses issued for the care of 46 children.

There was one case of a trailer park with an inadequate water supply, but the owner put in a larger storage tank which took care of the situation.

I want to thank the residents of Hudson for their continued co-operation.

REPORT OF HILLS MEMORIAL LIBRARY TRUSTEES

The Hills Memorial Library has continued to show growth. The number of books loaned and the number of borrowers has steadily increased.

Several organizations interested in the work of the library have held meetings in the building during the past year. On June 24, 1967 the S. E. District Book Selection meeting was at the library, and Mrs. French and her committee ably served coffee and doughnuts and provided a bouquet. The State and District Library Consultants were both present.

In February an art exhibit was conducted with Mrs. Curd of the Nashua Art Association supervising. Art books from the New Hampshire State Library were on display for the month.

In April the Hudson Historical Society Meeting was held in the adult room.

The District Library Consultant visited the library in October to advise on the use of the Pamphlet file as a further aid to research for high school students. Librarians from other libraries in the district were invited to attend this meeting. The Pamphlet file is now in operation.

Four sightsaving books with extra large type were purchased, as a trial, and notice of this was put in the local newspaper. The only books discarded last year were completely worn. Fifty-four books which were in fair condition, but sub-standard for public library use, were placed in the library of the Fairview Nursing Home. Last winter books were sent to and later collected from several shut-ins. The local churches were notified of this service.

Books have been donated by many patrons of the library and by several organizations. Money was given to purchase books as memorial gifts by the American Legion Auxiliary, by the Past Presidents' Parley, by the Hudson Fortnightly Club and its executive board members, and by the Girl Scouts of Hudson. The Christian Science Church of Nashua, The Hudson Community Church, and St. Anthony's Friary also donated books. Many books were also received from Mrs. Haletky, Mr. Paul Clifford, Mr. Beyer, Mrs. June Parker, Mrs. Helen Fagan, and Mrs. Mary White. The Trustees wish to thank these donors.

The Trustees are grateful to Mr. Aldrich for planning office room for the upstairs adult library and installing shelves and work area. Mr. Aldrich donated his time for this project.

The Trustees wish to acknowledge a gift of \$485.00 which was raised by the Hudson Improvement Council and presented at the October meeting of the board by Mrs. Hazel Buxton. This money is to be used for improvement of the grounds around the library.

More book shelves are being planned to accommodate the increasing number of volumes. Six bookcases are currently being built.

The floor of the adult room was covered with new polyduc carpet over 40 ounce felt padding, similar to that previously put down in the children's room. A book bank was also installed outside the front door of the library for the return of books at hours when the library is not open.

The Trustees wish to thank our librarians, Mrs. Aldrich and Mrs. Burns, our custodian, Lewis Marshall, our pages, Deborah French, Susan French, Ann Smith, Ruth Shunaman, Susan Brinker, and our substitutes, who have served faithfully during 1967. Our thanks also to the many friends of the Hills Memorial Library whose interest and co-operation makes possible the growth and progress of the library.

No. 37

An Ordinance

Relating to Traffic Control

BE IT ORDAINED by the Board of Selectmen for the Town of Hudson, New Hampshire:

1. It shall be unlawful for any person operating a vehicle on "A" Street or "B" Street to enter County Road without first coming to a complete stop.

2. It shall be unlawful for any person operating a vehicle on Birch Street to enter or cross Winnhaven Drive without first coming to a complete stop.

3. It shall be unlawful for any person operating a vehicle on Highland Street to enter Greeley Street without first coming to a complete stop.

4. It shall be unlawful for any person operating a vehicle on the East Bound Channelized approach to Central Street to enter Central Street without first coming to a complete stop if a stop sign is installed or yielding to Central Street traffic, if yield sign is installed.

5. All motor vehicles must yield to pedestrians walking on designated cross walks as per N. H. R.S.A. 262A:83.

6. Any person violating any part of the Ordinance shall be subject to a fine of \$5.00 for the first offense in municipal court and fined at the discretion of the court on subsequent offenses.

This ordinance shall take effect upon its passage and the installation of the traffic control devices or markings.

Given unto our hand this 26th day of June, 1967.

ORDINANCE

1967

An Ordinance to amend Ordinance No. 24 by substituting a new ordinance regulating the disturbance of ground within highway right-of-ways within the town of Hudson:

BE IT ORDAINED by the Board of Selectmen for the Town of Hudson, New Hampshire:

Section I. Permit:

- (a) That no person, firm, contractor or corporation shall disturb the surface within the highway right-of-way without first obtaining a permit from the Board of Selectmen's office or the Highway Agent.

Section II. Excavation in dirt or gravel surface:

- (a) WHERE EXCAVATION IS IN AN AREA ORIGINALLY TOPSOILED, the excavation shall be backfilled in 12-inch layers of suitable material, each layer being compacted with a flat-faced mechanical tamper or vibrating soil compactor, and the top 6 inches of backfill shall be good topsoil compacted and graded to conform to the adjacent ground. All unsuitable material such as wet clay and stones larger than 6 inches, will be removed and replaced with bank run gravel.
- (b) WHERE EXCAVATION IS IN AN AREA ORIGINALLY GRAVELLED, the excavation shall be backfilled in 12-inch layers of suitable material, each layer being compacted with a flat-faced mechanical tamper or vibrating soil compactor, and the top 18 inches of backfill shall be good gravel, compacted and graded to conform with the adjacent ground. All unsuitable material such as wet clay and stones larger than 6 inches, will be removed and replaced with bank run gravel.

Section III. Excavation in paved areas:

- (a) WHERE EXCAVATION IS IN AN AREA ORIGINALLY PAVED, the excavation shall be backfilled in 12-inch layers of suitable material, each layer being compacted with a flat-faced mechanical tamper or vibrating soil compactor, and the top 18 inches of backfill shall be good gravel, compacted, and well graded. All unsuitable material such as wet clay and stones larger than 6 inches, will be removed and replaced with bank run gravel. Edges of the existing pavement shall be trimmed back to a reasonable straight line.

If HOT paving is used, the trimmed edge shall be thoroughly clean and coated with an approved asphalt tack coat. The paving shall then be laid in two layers, a 2-inch binder and a 1½-inch finish, each course being rolled until thoroughly compacted with a roller weighing a minimum of 8 ton or equivalent in compaction.

If COLD PATCH is used, it will be of a material equivalent to the original surface, laid in one layer of a 4-inch minimum thickness, sealed with ¼-gallon T6 tar per square yard, sanded, and rolled until thoroughly compacted with a roller weighing a minimum of 8-ton or equivalent in compaction.

Section IV. Exceptions:

- (a) Any exception to the above requirements must be obtained in writing from the Highway Agent and the Board of Selectmen.

Section V. Bond:

- (a) Bonds may be required at the discretion of the Board of Selectmen.

Section VI. Responsibility:

- (a) Any person, firm, contractor, or corporation disturbing the ground within highway right-of-ways within the Town of Hudson will be held responsible for each excavation for a period of one year from the date of backfill and/or surfacing.

Section VII. Penalty:

- (a) Any violation of Section I through V will be subject to a \$50.00 Fine.
This Ordinance shall take effect upon its passage.
Given unto our hand this 7th day of August, 1967.

Term expires March 1970

SCHOOL WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the School District of Hudson, New Hampshire qualified to vote in district affairs:

You are hereby notified to meet at the Memorial School in said District on the 6th day of March, 1968, at one o'clock in the afternoon to vote for officers and Articles 1, 2, 3, and 4. Polls will be open from 1 P. M. to 9 P. M. Action on remaining Articles will begin at 7:30 P. M.

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To see if the District will authorize the School Board to make application for and to receive in the name of the District such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire or any other federal or state agency.
6. To see if the District will vote to accept and implement the Teachers Salary Schedule as recommended by the School Board, with a starting salary of \$5600.00 for a baccalaureate degree.
7. To see if the District will direct the School Board to omit the listing of individual teacher salaries in forthcoming Annual Reports.
8. To see if the District will vote to raise and appropriate a sum not exceeding \$5,600.00 to pay the Districts share of a Health Insurance Program for full time teachers serving the school district.
9. To see if the School District will vote to raise and appropriate a sum not exceeding \$3,000.00 to implement a program of teacher aides for the district. Submitted without recommendation.
10. By Petition of — Gaston G. Pratte, Vincent F. Braccio, Rose Dube, and others; To see if the School District will vote to require the Hudson School Board to institute a program of morning and afternoon sessions in lieu of building additional schools, or classrooms, and to rearrange the work schedules of the teaching staff so that additional teachers will not be required in the school system when this program is put into effect. The teachers, operating under this system, shall be compensated not more than an amount equal to 50% of their total year's earnings, with said extra compensation to be added to current yearly earnings. This procedure shall remain in effect until rescinded by a vote at a future annual school district meeting.
11. To see if the district will vote to authorize and appropriate the sum of \$26,500.00 for the purpose of employing an architect to draw plans and secure bids for an addition to the Memorial School; and to raise the same by the issuance of bonds or serial notes in accordance with the provisions of the Municipal Finance Act, Chapter 33, of the Revised Statutes Annotated of New Hampshire, as amended, and to authorize the Hudson School Board to so issue and negotiate said bonds or notes in the name of or on the credit of the District, said board to have discretionary powers described in Section 8 of said Chapter 33 in respect to said notes or bonds.

12. To see if the District will vote to appropriate \$10,600.00 under line item No. 1371 in the Operating Budget, contingent upon affirmative action of Article No. 20 in this Warrant.

13. To see if the district will create a School Study and Planning Committee and to authorize the school board to appoint a five member committee.

14. To hear the reports of Agents, Auditors, Committees, or officers chosen, and pass any vote relating thereto.

15. To choose Agents, Auditors, and Committees in relation to any subject embraced in this Warrant.

16. By Petition of — John M. Bednar, Gaston G. Pratte, Alphonse Luciano, and others: To see if the School District will vote to have the Hudson School District withdraw from Supervisory Union No. 27, as now constituted, and conduct its own school district affairs, under the name of the Hudson School District.

17. By Petition of — Vincent F. Braccio, John M. Bednar, Francis A. Colburn, and others; To see if the School District will vote to hold its Annual Election of school district officers on the same day as the Annual Election of Town Officers, in accordance with Chapter 197 of the Revised Statutes Annotated, governing the conduct of School Meetings.

18. By Petition of — Vincent F. Braccio, John M. Bednar, Francis A. Colburn, and others; To see if the School District will vote to require the Hudson School Board to publish, in the Annual School District Report, a listing of all monies paid, in excess of \$100.00 per year, to all persons doing business with the school district, as well as earnings and wages paid to persons employed by the school district.

19. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for the school district and agents and for the payment of the statutory obligations of the district.

20. To see if the District will vote to authorize the design, construction, and equipping of an addition to the Memorial School and to appropriate a sum not to exceed \$482,000.00 for the aforesaid purposes. Said sum to be in addition to any other local, State or Federal funds made available therefor, and to raise the same by the issuance of bonds or serial notes in accordance with the provisions of the Municipal Finance Act, Chapter 33, of the Revised Statutes Annotated of New Hampshire, as amended, and to authorize the Hudson School Board to so issue and negotiate said bonds or notes in the name of or on the credit of the District, said board to have discretionary powers described in Section 8 of said Chapter 33 in respect to said notes or bonds.

21. To transact any other business that may legally come before this meeting.

Given under our hands at said Hudson, New Hampshire this 17th day of February, 1968.

REPORT
of an examination and audit
of the accounts
of the
HUDSON SCHOOL DISTRICT
for the fiscal year ended June 30, 1967
SUMMARY OF FINDINGS AND RECOMMENDATIONS

August 16, 1967

The School Board
Hudson School District
Hudson, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Hudson School District for the fiscal year ended June 30, 1967, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: June 30, 1966 — June 30, 1967: (Exhibit A)

Comparative Balance Sheets as of June 30, 1966 and June 30, 1967, are presented in Exhibit A. As indicated therein the Net Debt decreased by \$86,400.40 during the fiscal year ended June 30, 1967.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1967, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a net unexpended balance of appropriations of \$8,528.09, plus a revenue surplus of \$8,876.40, resulted in a net budget surplus of \$17,404.49.

Summary Statement of Receipts and Expenditures: (Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1967, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance (General Fund Account), as of June 30, 1967, is indicated in Exhibit F.

Alvirne Farm Accounts: (Exhibits G & H)

Statements of the Alvirne Farm Accounts for the fiscal year ended June 30, 1967, are presented in Exhibits G and H.

Statements of Building Fund Accounts: (Exhibits I-1 and I-2)

Statements of the Alvirne and Middle School Building Fund accounts, are included in Exhibits I-1 and I-2.

High School Activities Accounts: (Exhibit J)

The High School Activities accounts were examined and a summarized statement of these accounts is included in Exhibit J.

School Lunch Program Account: (Exhibit K)

A summary statement of the School Lunch Program account is included in Exhibit K.

Statement of School Tax Account: (Exhibit L)

A statement of the School Tax account with the Town of Hudson is included in Exhibit L. As indicated therein, as of June 30, 1967, the School District had received from the Town the total of the 1966-67 School Tax in the amount of \$680,989.79.

Statement of Long Term Indebtedness: (Exhibit M)

A statement of the outstanding long term indebtedness of the School District as of June 30, 1967, showing annual debt service requirements, is contained in Exhibit M.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) decreased from \$19,004.09 to \$17,404.49 during the fiscal year ended June 30, 1967, as shown herewith:

	June 30, 1966	June 30, 1967
Total Assets	\$785,532.28	\$166,457.45
Current Liabilities	766,528.19	149,052.96
Current Surplus	<u>\$ 19,004.09</u>	<u>\$ 17,404.49</u>

School District Treasurer:

The School District Treasurer should reconcile the bank balance with the cash book balance at the close of each month.

All bank statements, cancelled checks and debit and/or credit memos for the entire fiscal year should be retained until after the annual audit has been made.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that the summary of findings and recommendations (letter of transmittal) of this report shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Hudson School District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

O. Maurice Oleson
Edgar O. Pesquera
Auditors

Stephen D. Plodzik,

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Hudson School District for the fiscal year ended June 30, 1967. In our opinion, the Exhibits presented herewith reflect the true financial condition of the School District on June 30, 1967, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Hudson:

The most significant educational event of the past year was the completion and occupancy of the new middle school. On September 6, 1967, the Memorial School, under the leadership of Principal James Tierney, greeted 582 pupils. This facility has enabled us to begin the implementation of a comprehensive instructional program to link our primary grades with our secondary.

We are housing pupils in grades one through three at the Dr. H. O. Smith School and the fourth graders attend Webster School. These primary units have 721 pupils. We have 874 pupils at Alvirne in grades nine through twelve. Our total public school enrollment in Hudson was 2,177 last September and 293 pupils greater than the corresponding date one year earlier. We anticipate 2,465 next September. One can easily see that we are growing at a constant and continuous rate of about 300 pupils yearly. Just as our pupil growth is constant and continuous so must be our building construction efforts.

The past few years will testify to a steady growth and development in our instructional program. At the elementary level we have developed pupil services in art, music, special education, guidance, physical education, remedial and developmental reading and health. However, our extreme pupil growth will make these services ineffective if we do not increase instructional personnel in all these areas. In addition, additional services have been anticipated and facilities provided in building construction. These areas may be identified as homemaking, industrial arts, and library science. Prime budgetary concern should be directed in these areas of expansion of existing services and the addition of new ones.

Hudson has been fortunate in attracting and holding quality teachers. If we are to continue to compete successfully in the instructional market for teachers we must develop and expand our salary guides and welfare benefits. It is with professional satisfaction that I announce the following additions to our professional staff.

Miss Jane Ahrendt, Hudson, N. H., Keene State College, B.Ed., 1967, Grade 4 Webster School.

Mrs. Ellen Alexander, Derry, N. H., Notre Dame College, Science, Memorial School.

Mrs. Claire Allison, Hudson, N. H., returned to teaching Grade 4, Webster. Graduate of Plymouth Teachers College, 1960, previous experience, Litchfield and Hudson.

Mrs. Elizabeth Andrews, Hudson, N. H., University of Maryland, University of N. H., Keene State College, B.Ed., 1967 — Grade I, H. O. Smith School.

Mr. David Baker, Durham, N. H., University of N. H., B.S., 1962, previous teaching experience Nute High School, Math Teacher — Alvirne High.

Mr. Boris Bauer, Gorham, N. H., Erskine College, B.A., 1967, Social Studies at Hudson Memorial School.

Mr. Robert Boswell, Beverly, Mass., Salem State College, B.S. Ed., 1967, Social Studies — Alvirne High School.

Mrs. Joan Brown, Hudson, N. H., University of N. H. and Rivier College. Previous teaching experience Mt. Vernon, N. H., Grade 4, Webster School.

Mrs. Lorraine Carey, Tewksbury, Mass., State College at Lowell, Bachelor of Arts, 1967, English — Alvirne High School.

Mr. Russell Carey, Tewksbury, Mass., State College at Lowell, Liberal Arts, 1967, Hudson Memorial School — Language Arts.

Mr. Richard Deneault, Derry, N. H., Keene State College, B.E., 1963, graduate work Wesleyan University, Math — Alvirne High.

Miss Judith Dickson, Manchester, N. H., Notre Dame College and University of N. H., Social Studies — Alvirne High.

Miss Eleanor DiPalo, Andover, Mass., Merrimack College, B.A., 1967, Hudson Memorial School — English and Math.

Miss Beverly Faulkner, Nashua, N. H., Central Connecticut State College, B.A. 1967, Memorial School — Language Arts and French.

Mr. Gerald Fitzgerald, Manchester, N. H., St. Michael's College, B.A., 1964, Memorial School, Social Studies — English.

Mr. Elliott Goodman, Andover, Mass., Florida Southern College, B.S., 1967, Memorial School — Physical Education.

Miss Marjorie Johnson, Methuen, Mass., State College at Salem, B.S., 1967, Memorial School — Science.

Mr. Paul Laperriere, Jr., Winchendon, Mass., Keene State College, B.E., 1967, Alvirne High — Social Studies.

Mr. Paul Loranger, Manchester, N. H., St. Anselm's College, B.S. 1965, Science — Alvirne High.

Mrs. Ann MacDonald, Hudson, N. H., Central Connecticut State College, B.S., 1963, Memorial School — Guidance and Science.

Mr. Walter Markham, Lowell, Mass., Keene State College, B.E., Special Education, 1967, Memorial School — Special Class.

Mr. Douglas McDonald, Windham, N. H., Keene State College, B.Ed., 1967, Social Studies — Alvirne High.

Miss Judith Mills, Derry, N. H., Keene State College, B.Ed., 1967, grade 2 — H. O. Smith School.

Mr. John Noraig, Nashua, N. H., Ohio University, University of N. H., B.A., 1967, Math — Science, Memorial School.

Miss Elaine Perrault, Nashua, N. H., Keene State College, B.Ed., 1967, English — Alvirne High School.

Mr. James E. Tierney, Hudson, N. H., B.S. from Providence College 1955, Masters Degree from Tufts University 1962, additional graduate credits, Boston University. Principal — Memorial School.

Mr. Richard Turner, Bedford, N. H., Keene State College, B.Ed., 1967, Social Studies — Memorial School.

Mr. Clifford Veautour, Meriden, N. H., Suffolk University, B.S., 1963 and University of Vermont, Graduate Study, Assistant Principal — Alvirne High.

In conclusion I recognize the awareness and concern that the citizens of Hudson hold for education. I extend my appreciation to the Hudson School Board, the instructional staff and those whose contributions continue to pave the way for educational progress in our community.

Respectfully submitted,

CLAUDE H. LEAVITT
Superintendent of Schools

**REPORT OF THE
ASSISTANT SUPERINTENDENT OF SCHOOLS**

January 15, 1968

Mr. Claude H. Leavitt
Superintendent of Schools
Hudson, New Hampshire 03051

Dear Mr. Leavitt:

The following paragraphs constitute my report as Assistant Superintendent in the school district of Hudson, New Hampshire.

With the advent of Sputnik some 10 years ago the area of science instruction has received a great deal of interest. One of the results of this increased impetus in science education was the founding of a non profit organization known as the Elementary Science Study. This organization with funds provided through the Ford Foundation was established to develop new ideas and methods for improving the content and process of science education through the collaborative effort of scholars and educators.

The Elementary Science Study material is designed to put physical materials into the children's hands from the start and help each child investigate, through these materials, the nature of the world around him. The ESS materials attempt to cultivate the natural curiosity of children and their freedom from preconceptions of difficulty. It incorporates both the spirit and the substance of science into the program in such a way that the child's own rich world of exploration becomes more disciplined, more manageable, and more satisfying. These materials are currently being used in our fourth grade divisions and have improved science instruction at this level significantly.

The highlight of the new school year has been the opening of the new Hudson Memorial School. This building, while providing a setting suitable for programs that will cater to the eleven - fourteen year age bracket, also represents the very latest in school facilities. Within the confines of this building we are able to offer a highly sophisticated and departmentalized program for grades 5-8.

Through this program we are attempting to accomplish three primary objectives. First, we hope to make all of these excellent facilities available to youngsters in grades 5-8 rather than limiting their use to grades 7 and 8. We also believe that the curriculum has become so complex at this level that the self contained classroom teacher can no longer be expected to teach all areas effectively, but rather should have the opportunity to work in those areas for which they have a special aptitude and in depth training. Finally, we recognize that the basic physiological and psychological changes that children of this age are undergoing require that they be handled in such a way that their needs will be met on an individual basis. The facility necessary to accomplish this awesome task is now at our disposal and its use is being directed toward these ends.

One of the new programs that has been initiated at the elementary level is in the area of physical education. With the facilities and personnel available we are able to offer a comprehensive program at the Middle School and a modified program at the 1-4 level.

Our Special Services Program is now in its second year of operation. This program is funded through Title I of the Elementary and Secondary Education Act of 1965 and provides a special class and related guidance services for youngsters in grades 1-4. The program has proved to be very successful and provides a needed service for the youngsters involved.

Title II of ESEA 89:10 provides for the purchase of library resources, textbooks, and other printed and published materials. Hudson will receive approximately \$4,000.00 in library materials through this title during the current year.

Looking toward next year our greatest needs lie in the area of additional personnel to maintain and expand our existing programs in the face of staggering increases in school population. The areas of art, music, and physical education also require additional personnel in order that we might continue to offer the same calibre of program that we have in the past.

Two additional areas deserving of consideration in view of present facilities are library and industrial arts. Our library facility at the Memorial School is excellent and our basic collection of material is expanding quickly. In order to make efficient use of this facility and material the services of at least a part time librarian is of paramount importance.

The implementation of industrial arts in the Middle School would take us one step closer toward a comprehensive program at this level. The youngster whose aptitude and vocational interest lie in this area would receive the type of instruction necessary to realize his full potential as a useful and contributing citizen.

In closing I would like to thank the School Board and yourself for your direction and guidance, Mr. Steckevicz, Mr. Tierney, and Mr. Saudelli for their unfailing cooperation, and finally the citizens of Hudson for their commitment to excellence in the educational program.

Respectfully submitted,

PETER G. DOLLOFF
Assistant Superintendent

PRINCIPAL'S REPORT
Alvirne High School

January 5, 1968

Mr. Claude H. Leavitt
Superintendent of Schools
Hudson, New Hampshire

Dear Mr. Leavitt:

"Innovation" is a term much used in education today. Terms such as flexible and modular scheduling, individual teaching, team teaching, teaching machines and computers, are also coming into more common usage. At Alvirne this past year, we have had the use of a computer through the New England Education Data Systems program which has proven to be highly successful. One important facet of this system is the Master Program. The master program is to the high school principal as the musical score is to the concert director, for in either case a soundly planned program, harmonious and tightly knit in all of its component parts, will determine the effectiveness of the school system.

The importance of the master schedule can hardly be exaggerated. It abstracts, in words and numbers, the essence of the school. For a given school year, it sets forth in precise detail who is going to do what for every period of every day in the week. Subjects, students, instructors, classrooms are all assigned. From the close study of a master schedule, a reader can learn much of a school: the program it offers; the constraint or freedom that affects students' choice of courses; the school's position on the spectrum that runs from ultraconservative to radical; its size, resources, shape — even its philosophy.

In some schools, perhaps most schools, the schedule dominates the students and teachers, but with the advantages of computers the schedule reflects fresh efforts to enliven and individualize education.

Other by-products of the computer system now being utilized are, file maintenance, testing, attendance records and report cards. All of the preceding items produced are professional-looking and accurate and give the school a records program of high standard.

My sincere thanks to you and the School Board for your cooperation in making this past year at Alvirne one of great progress.

Respectfully submitted,

CHESTER J. STECKEVICZ

Principal

REPORT OF GUIDANCE SERVICES
Alvirne High School

January 5, 1968

Mr. Claude H. Leavitt
Superintendent of Schools
Hudson, New Hampshire

Dear Mr. Leavitt:

Guidance services have been maintained throughout the school system, with special stress in the high school on vocational and educational counseling; the Memorial School on personal and educational adjustment; and the Dr. H. O. Smith School on adjustment and placement. The Memorial School has been provided with the services of two part-time counselors, thus giving the Hudson School District five counselors.

Pupil evaluation and placement has been greatly improved within the system by the interpretation of test results, teacher recommendation and student readiness. Alvirne, with the introduction of the New England Education Data Systems program has been able to offer more flexibility in its schedule by providing more courses and better placement of students in classes in all areas. The NEEDS system has provided time for wider counseling services also. There is a rise in the number of students matriculating in institutions of higher education and in the number of those who have selected a definite vocation. This is an indication that students' interests have been explored and that aptitude and achievement are being utilized.

This year, stress will be placed on better communication within the school system, hoping to make guidance services a continuing process so that contact will not be lost when an individual moves from one school to another. An additional goal will be to define more clearly, the role of the counselor in the individual schools and to offer services which are most urgently needed by the student at each grade level.

A full-time guidance person in the Memorial School, along with the part-time people, would give all students in grades 1-12 a chance to see a counselor anytime during the day.

I would like to express the appreciation of the guidance department to the school board, the superintendent's office, the various school administrators and the teachers for the cooperation afforded us.

Respectfully submitted,

JAMES V. REGAN

Director of Guidance Services

HUDSON MEMORIAL SCHOOL — PRINCIPAL'S REPORT

School Year 1967-68

January 9, 1968

The Hudson Memorial School is a five through eight departmentalized system. Through departmentalization we are able to accomplish more with these grades than has been possible in the past. Each teacher specializes in one or two fields instead of trying to be a generalist, which is the case in the self-contained classroom concept at this level. In addition to being a specialist, the teacher has at their disposal much of the equipment that is needed to implement their subject. A good example of this is science. The school is equipped with three science labs. In a typical lab there is an instructor's table, a germinating bed, sixteen two student science tables, and eight wall service counters. Each of these counters has hot and cold running water, electrical outlets and two-way gas turrets. For the first time students in grades five through eight are able, with the supervision of a teacher, to experiment with various scientific apparatus.

Other areas of instruction which are well equipped include the language lab, physical education, art and the library. The language lab is completely electronic, the children are each equipped with a head set and from a consol in the front of the room the teacher is able to direct certain lessons to the students through the use of tapes. Our language instruction is in French and is primarily conversational.

Our physical education facility has helped the educational program in the school. What physical education these children had been exposed to in the past was certainly minimal. Now that we have a teacher four days a week in this area, we are at least able to provide the school with some sport and recreational activities. An outgrowth of our physical education classes has been our intramural program for boys and girls, which has stimulated a great amount of enthusiasm.

The art teacher, who is here on a limited basis, has a room which is a credit to the planners of this building. The room is sufficiently large enough to handle thirty art and drafting units. There is enough room left over for the future installation of counters and special work areas.

We are fortunate in having a very fine library in the school. This facility is very well equipped with tables, chairs, stacks, card catalog and other types of library equipment. And through funds made available by the federal government last year, the school was able to make a start on a basic collection. With the allocation of additional federal funds this year we are able to further expand the collection. What is lacking in this area is a full-time librarian. Under the present circumstances the library is only open a very limited number of hours. This limitation severely reduces the effectiveness of the facility. Since the library is so popular with the students, serious consideration should be given to acquiring a full-time librarian.

The school has other specialized areas which are to be equipped in the future. These areas include a reading lab at the seventh and eighth grade level, an industrial arts program at all levels and a homemaking program at all levels.

Generally speaking the facility is one of the finest in the area. The building is well laid out, and is very spacious. Some of the items that do not get much attention but which contribute to an effectively run school are included in this building. Some of these things are: wide corridors, lockers, boys and girls shower facilities, stage and lighting, guidance area, nurse facilities, teacher work-study areas, and storage areas.

One of the programs which we are pleased to be able to offer is in the special education area. The school has a special class teacher who is able to provide for the students who have needs that are not able to be met through the regular school curriculum. These children do participate in regular school activities, such as, sports and many of them attend regular classes. But what is important is that the group is small and under the guidance of a specialist, who is able to provide them with a worthwhile educational experience.

In a school of this size a guidance program is an absolute must. Testing is certainly one of the important phases of guidance but, of equal importance is the fact that here is an opportunity where the students and parents are able to come to discuss their problems and concerns.

I would like to take this opportunity on behalf of the faculty to thank the School Board, the Building Committee, the Superintendent and his staff, and the Community for providing a wholesome educational environment.

Respectfully submitted,

JAMES E. TIERNEY
Principal

DR. H. O. SMITH AND WEBSTER ELEMENTARY SCHOOLS

Principal's Report — January 15, 1968

Mr. Claude H. Leavitt
Superintendent of Schools
Hudson, N. H.

Dear Mr. Leavitt:

In this my second report as principal of Grades 1-4 I would like to reflect upon some of the innovations that are taking place in our schools this year, as well as casting an eye to the future and one of the challenges before us.

Our first grades have seen the introduction of the Durrell-Murphy Speech-To-Print Phonic Kits. These kits contain a series of teacher-led lessons, which are designed both as a self-sufficient reading-readiness program and as a supplement to our existing basal reading program. The lessons are designed to assure success in beginning reading. They combine established linguistic principals with techniques of high efficiency learning, to increase both quality and amount of learning in each class period. The lessons enable the child to move rapidly and securely through the phonics abilities that give word power.

Our second and third grades are using the Science Research Associate Reading Laboratories. These units offer a multilevel, individualized developmental program of basic reading instruction. They present and reinforce recognized basic reading skills needed at this particular grade level. They are, in keeping with our needs in education today, aimed at demanding and getting each pupil's top performance.

Our fourth grades are involved in the Elementary Science Study Units. These units differ widely, but they share a common approach to the teaching of science in elementary schools. Rather than beginning with a discussion of basic concepts of science, ESS puts physical materials into children's hands from the start and helps each child investigate through these materials the nature of the world around him. Children acquire a great deal of useful information, not by rote but through their own active participation. This process brings home even to very young students the essence of science — open inquiry combined with experimentation.

Another innovation in the fourth grades has been the establishment of a team teaching effort. Team teaching is basically a method of organizing groups of students for instruction so they will receive the benefit of instruction from the most capable teacher in a particular field and also the benefit of increased intellectual stimulation by contact with several personalities rather than one individualized teacher. Lessons are presented to a combination of two or three classes by one teacher. This is accomplished in one of our larger rooms at the school. Following the presentation of the lesson, which may include the use of audio-visual aids, the large group of students is broken down into smaller groups for discussion purposes, or opportunity is provided for independent, individual study under the guide of several other teachers.

We have been fortunate this year in maintaining a high degree of stability and continuity in our instructional staff. Both educators and parents alike can appreciate the importance of holding on to experienced teachers in order that our children may derive the benefits of their talents. I would hope that the citizens of Hudson will give budgetary priority to teachers' salaries this year. Only in this way will Hudson hold on to and attract competent teachers.

May I take this opportunity to thank you and Mr. Dolloff, Mrs. Margaret Jackson, both the instructional and non-instructional staff and the school board for the cooperation and continued dedication extended to the children of Hudson.

Respectfully submitted,
RONALD T. SAUDELLI,
Principal

REPORT OF THE SCHOOL NURSE - TEACHER

To The Superintendent of Schools, School Board Members and Citizens of Hudson

I would like to submit my annual report as School Nurse for the Dr. H. O. Smith, Webster and St. John The Evangelist Schools. Mrs. Lankhorst will report for the Memorial and Alvirne schools.

The following is a brief report of the school health program carried out through the past school year:

Total student inspection.....	1760
Total first aid given	1962
Hearing test	488
Sick children taken home	54
Children taken to hospital	2

Follow-up supervision of children with:

Broken bones	16
Diabetics	3
Seizures	4
Cardiacs	15
Asthmatics and allergies	16
Contagions	124

Again, in cooperation with the State Board of Health, a series of immunization clinics were held for preschool and elementary children. Included were shots for whooping cough, diptheria, tetanus, measles vaccine, also Sabin Oral vaccine and preschool smallpox vaccinations.

The Tuberculin skin testing program sponsored by the New Hampshire Tuberculosis and Health Association was resumed again this year. A total of 729 students and school personnel were tested, and the mobile X-ray unit came to Alvirne, and 89 people, including parents were x-rayed. The results showed no known active tuberculosis.

We held our preschool clinic in April, about 205 children were registered and examined by physicians. I also attended and helped at the other preschool clinics in the Supervisory Union.

A very successful preschool vision testing program sponsored by the Hudson Lions Club was held. About 160 children were examined, resulting in some visual defects being corrected before school entrance.

The Proctor Gamble Dental program was again used in the school. Tooth brushes and tooth paste were distributed to students in Grade 3, coloring books to Grade 1, also useful posters and literature for all classes. We also made use of films and filmstrips provided free by the New Hampshire Dental Society.

A personal hygiene film was shown to girls in Grades 5 and 6.

I wish to thank the various organizations for their many generous deeds and donations to our milk and hot lunch program and other efforts. To the many parents and friends for their help and cooperation to me at our various clinics, and in other endeavors, a grateful appreciation.

The duties and responsibilities of the School Nurse are so many and varied, only through the help of so many people can an effective health program be provided to meet the needs of the school children.

Respectfully submitted,

ANNE K. CHRISTOPHER, R. N.

School Nurse-Teacher

January 12, 1968

Mr. Claude H. Leavitt
Superintendent of Schools
Hudson, New Hampshire

Dear Mr. Leavitt:

I wish to express my deepest gratitude and appreciation to Mr. Tierney, Mr. Steckevicz, and faculties of both schools for their cooperation and support.

Since September, 1967, I have been at the new Memorial School on Mondays, Wednesdays, and Fridays, and at Alvirne on Tuesdays and Thursdays. I am on call for both schools for emergencies.

Due to the increase in students this year and Dr. Dionne's illness, only freshmen and all students involved in interscholastic sports had physical examinations with parental permission.

Routine inspections including height, weight, teeth, tonsils, heads, and visual testing, were done on grades five through eight. Routine heights, weights, blood pressures, and visual testing were done on all freshmen and juniors.

There are thrity-four members in the Alvirne High School Future Nurses Club. The purpose of this organization is to introduce sophomore, junior, and senior girls to possible careers in various fields of medicine.

Some of my responsibilities as School Nurse-Teacher include attending all basketball games to care for emergencies and assisting with Supervisory Union No. 27's pre-school clinics.

My sincere thanks to all parents and friends who have made this year a rewarding experience.

Respectfully submitted,

ALMA LANKHORST, R. N.
School Nurse-Teacher

HUDSON SCHOOL DISTRICT MEETING

ALVIRNE HIGH SCHOOL

March 11, 1967

Moderator Lake Munday opened the meeting at 1:00 P. M.

Lucille Muller was elected Asst. Clerk, and Robert Tracy Asst. Moderator.* Ballot clerks present were Maurine Hutchins, Ruth Hatfield and Betty Walters. (*The moderator swore in Mr. Tracy and Mrs. Muller.)

Moved, seconded, and voted to delay the meeting until 7:00 P. M.

Articles 1-2-3-4 read by Moderator. Moved, seconded and voted to dispense with reading the entire warrant.

Article 5. It was moved that the article be accepted as printed in the town report. Motion seconded and a lengthy discussion followed, as to information which was not in the town report. It was agreed upon by the School Board that in future reports such information would be included.

A 10 minute recess was voted on to allow the clerks to set the check-lists up.

The article was moved and accepted.

Article 6. Moved, seconded, and voted it be accepted as read.

Article 7. Moved for adoption, seconded. A lengthy discussion followed regarding the new proposed school.

The article was voted on by secret ballot and passed.

Article 8. The article was read and opened for discussion. Donald Shepard moved for adoption in the amount of \$1,253,251.73. It was seconded. Mr. Bednar offered an amendment to the motion, substituting the town budget committee's salary figure for that of the School Board. (An approximate difference of \$35,000.) It was opposed.

Further amendments were moved and dismissed on the budget. A secret ballot was called for and was granted. Extreme confusion prevailed and the moderator attempted to explain the meaning of the various amendments and the resulting vote on them. The secret ballot was then taken.

Article 9. While ballots were being counted, it was moved that Article 9 be accepted at the time. It was seconded and accepted.

The vote on Article 8's amendment: yes — 68, no — 119. The article was again amended another secret ballot was taken. The votes were as follows: yes — 137, no — 44. It was declared accepted.

Article 10. Not voted on.

Meeting adjourned at 11:53 P. M.

Result of Ballot

Total ballots cast: 423

For Moderator:

Lake Munday (elected)	356
(unopposed)	

For School Board Member: (3 years)

Kenneth Clark (elected)	317
Irving Boynton	64
John French	37

For Clerk:

Gerald Lawrence (elected)	199
Lucille Muller	155
Robert Tracy	52

For Treasurer:

Gerald Lawrence (elected)	215
Lucille Muller	148
Robert Tracy	45

Moderator Lake Munday administered the oath of office to Mr. Clark.
(Mr. Lawrence was absent.)

REPORT OF THE SCHOOL BOARD

The highlight of the 1967-68 School year in Hudson was the opening of the new Memorial School, housing grades, 5, 6, 7, and 8. This new facility came into service at exactly the right time and phased into the school operations smoothly. This new Memorial School opened its doors to a near capacity attendance which has made it necessary to begin planning an addition to the school to be ready for occupancy by September, 1969.

In attempting to forecast just a few years into the future it now appears that the addition to Memorial School would suffice for 2 or 3 years, and then probably a new elementary school will have to be constructed, along with additional facilities at the high school level.

At the Annual School District meeting this March the school board will request authorization from the townspeople to form a committee to study the feasibility of forming an Authorized Regional Enrollment Area High School at Alvirne. There may well be both financial and academic benefits to such a plan. Only detailed analysis and evaluation will answer these questions.

Some new academic programs have been started this year in the elementary grades, largely in the areas of science, reading, modern foreign language, and physical education. The advent of the new facilities at Memorial School enabled some of these programs to be implemented, and some are natural extensions of previous programs. Guidance counseling is now available, although on a limited basis, to all grade levels. An intramural athletic program, which involves many youngsters, has been started at the Memorial School. It is the earnest desire of the school board to continue to support and expand these programs.

Next year Alvirne High School moves into Class L competition for basketball in interscholastic athletics,. This is a big step for the school and we must make sure that all the athletic programs, which mean so much to a great many students, continue to improve and advance.

This year the school board signed a Professional Negotiations Agreement with the Hudson Teachers Association for a period of one year. This Agreement has not changed the relationship between the Hudson School Board and the Hudson Teachers Association. The same mutual respect has been shown during the meetings between the two groups.

Efforts to streamline the transportation and hot lunch programs are continuing. As the school system continues to grow and more facilities are added, attention must be given to coordinating the custodial services and maintenance of buildings and grounds.

The school board is appreciative of the fine job being done by an extremely competent superintendent of schools and his equally competent staff. The cooperation of these people with the school board has been excellent and we have a great deal of confidence in them. We have equal confidence in the school principals and their staffs who pay such a vital role in the school system.

The Hudson School Board must pay special tribute to the Memorial School Building Committee for a fine job completed. We would also like to thank the Alvirne School Trustees for their continued interest in Alvirne High School. There are many other civic and service type organizations who have helped to make our school system a good one, we thank them for their interest and support.

Respectfully submitted,

DONALD C. SHEPARD, Chairman
KENNETH CLARK, Clerk
WARREN HOWE
